Jaffa®

T's and C's

pip free guarantee

We are dedicated to providing our customers with the best natural produce available. And we are so confident in the quality of our delicious fruit that we can offer a pip-free guarantee.

It means that if you find a pip in any of our products, we will give you a £2 Tesco voucher to be spent in store on whatever you wish.

While we know that our oranges and easy peelers are the juiciest and tastiest around, we cannot always guarantee (although we try our best!) that 100% of them will be pip-free.

Nature has a way of being a bit unpredictable like that and, of course, our fruit has to be 100% natural.

To redeem your Tesco pip-free guarantee voucher, we just need to see proof of purchase and a snap of the pip in question.

all other Jaffa T's and C's apply, as above
