## Jaffa are launching the **pip free guarantee**

We are dedicated to providing our customers with the best natural produce available. And we are so confident in the quality of our delicious fruit that we can offer a pip-free guarantee.

It means that if you find a pip in any of our products that show the 'Pip Free Guarantee' on pack we will give you a Jaffa vouchers to spend in Tesco stores nationwide.

While we know that our oranges and easy peelers are the juiciest and tastiest around, we cannot always guarantee (although we try our best!) that 100% of them will be pip-free.

Nature has a way of being unpredictable like that and, of course our fruit is 100% natural.

To redeem your Tesco pip-free guarantee voucher, we just need to see proof of purchase and a snap of the pip and pack in question.
